BMCO

TREASURY NEWS LETTER 1 / 2014

It is great pleasure indeed to once again greet you in His name Lord Saviour Jesus Christ. 2014 has been a wonderful year in the history of our church but in the same breath we regret the loss of Rev TP Tafu our 1st co – treasurer. Our heartfelt condolences goes to his family , friends , his Circuit Ladysmith and KZN district. May his soul rest in peace.

The leadership our church and treasury wish to extend a sincere gratitude to members at large for good and positive response on central fund. This has been a dream of many of our past leaders including our longest serving President of Conference His honour Rev GZ Vanda. Let us give praise to our Ex President His honour Dr Rev ME Besane who in 2013 when descending stage felt it was appropriate during his era to accomplish this long expected mission. Re leboha haholo Ntate ho refa matla a ho tsamaisa phutheho. Ba eta pele ba tshwanang lewena re aba hloka haholo , nakong e re leng hoyona. Ka matla a Modimo re a tshepa hore mosebetsi ona oo bitseditsweng ha o no ema ampa o tlek tshwella pele

It is this practice that made all mainline churches in worldwide and in SA to develop and improve themselves drastically. As one of them though this idea came late but we hope we shall jell well with the scheme. Be rest assured this project taught us good lessons about ourselves and it kicked off with right footing. Our big and small circuits that participated with great enthusiasm with the scheme learned a lot about themselves. They were unaware of their capability prior to the implementation but now they can correctly measure their strengths. Dear congregants keep up the good work. We take 2014 as a learning year and hope you will excel in 2015. Uvalo nokungazethembi yiko okusidonsele emuva sibuka sengathi abanye abantu bangcono kunathi. Nathi uNkulunkulu wobaba uRamushu wehlile ngalombono ukusisusa kulendawo ebekuyiso sathatha igxathu eliya phambili asingabe sisaya emuva kodwa siphokophele phambili. Let us not dare look back again.

We once more appeal to our leaders on the ground and members at large to work hard in 2015 and protect all the gains we made since 2010 to date. Let us galvanise this centralization of funds and take it further. It is one project that can uplift our church to the greater heights and without you dear members such dreams could not be realised or fulfilled. We always ask the Lord to usher you with floods of blessings and strengths of moving this church forward. Nto zakowethu kudala sinsala lenqwelo kungathi kubufishane apho sijonge khona. Kwanga singabambana negezandla zozibili kungabikho osilela emva. Lomthwalo simelwe ukuzithwalela wona, uThixo ukho ngamaxesha onke ukusijonga pha endleleni. Masibhukule siphucule lecaewe yamadonki , kuzozonke ezidonki zikhona eyona elwela ukuya phambili ngentuthuko ile ekhokhelwa ngumfo kaDiamini.

Before we conclude let us congratulate the following volunteers who since 2012 signed up with Absa bank to contribute monthly for our volunteer scheme without fail or default. They are as follows:

Bro MZ Radebe, D Mlanjeni , Sister X Mangala, PN Gwegwana , T Mathe , PV Ntloko , to you dear members ,we say baie dankie for your undying spirit and never give up ,you are our hope. We also

appeal to individual members to join a volunteer scheme as is revolving year in year out even a once off contribution is welcome though we appreciate steady income. Workers and business people where are you ? What about a one day share of your salary or wages or profit and spoil your dear church. Your contribution can make a big difference in shaping our administration and services.

Account is BMCSA Volunteer scheme : 926 570 6444.

To the church departments which made tremendous contribution in 2014 financial year, dear partners we thank you so much, do so naka moso and without your effort and muscle this organization is nowhere. Your commitment and passion about our church is highly commendable. It is about time that we mobilise people outside these structures as auxiliary members to buy this pattern nabo babambe iqhaza mihle lomsebenzi since they have not yet decided to join our structures. Hier is die huis werk bomme nabo ntate

To the entire church uRona wamathambo as new financial drive , we are pleased to announce that it was great success. A special thanks to the following districts for excelling in that regard i.e Eastern Cape , Western Transkei , and NWC. We appeal to some other districts which were hesitant , that this is the culture of our CHURCH and that there is central fund doesn't mean we can easily throw away our well being and formation. Ons is baie bly om julle te se dat God is lief vir julle. Daarom ons vra dat julle asseblief aangee aan God.(geld aangee) Ons weet dat as ons goed doen, sal ons die vrede in die hemel kry .Let us be more organised next year. Mobilise members as from society level about the latter. It's a platform of asking for BLESSINGS from the Almighty and thanks giving. I am sure you all need that opportunity.
